A.20-02-003

Application of Pacific Gas and Electric Company for Wildfire Mitigation and Catastrophic Events Interim Rates.

PROPOSED OUTCOME:

- Approves a portion of the request of Pacific Gas and Electric Company (PG&E) to recover, on an interim basis and subject to refund, costs recorded in wildfire mitigation memorandum accounts.
- Approves recovery of \$447 million in revenue requirements on an interim basis subject to refund over a seventeen month period associated with the Fire Hazard Prevent Memorandum Account, the Fire Risk Mitigation Memorandum Account and the Wildfire Mitigation Plan Memorandum Account.

- Declines PG&E's request for authorization to institute interim rates, subject to refund, whenever it accumulates a total of \$100 million or more (in revenue requirement equivalent) relating to new Commission- or legislative-mandated activities in one or more memorandum accounts established to record such costs.

SAFETY CONSIDERATIONS:

- There are no safety considerations implicated by this decision.

ESTIMATED COST:

- The decision authorizes \$447,034,500 in rate recovery, subject to refund.
